Personalized help with Rx coverage

Losing prescription insurance can make it hard to stay on track with medications. Walgreens Find Rx Coverage can guide you to:

- Affordable coverage options
- Savings opportunities

To begin, visit Walgreens.com/FindRxCoverage

Find Rx Coverage

This feature is not a Walgreens pharmacy service offering. Walgreens is providing you with prescription coverage opportunities that may be applicable to you based on the information you provide. For informational purposes only. Prescription coverage and savings options provided are based on federal eligibility criteria for prescription coverage from employers, state and federal programs, and healthcare marketplace options and are updated on the first of every month. Walgreens is not responsible for determining an individual's eligibility in any specific insurance or discount program. Walgreens will not save any of the responses you provide to use this service.

Find Rx Coverage

This feature is not a Walgreens pharmacy service offering. Walgreens is providing you with prescription coverage opportunities that may be applicable to you based on the information you provide. For informational purposes only. Prescription coverage and savings options provided are based on federal eligibility criteria for prescription coverage from employers, state and federal programs, and healthcare marketplace options and are updated on the first of every month. Walgreens is not responsible for determining an individual's eligibility in any specific insurance or discount program. Walgreens will not save any of the responses you provide to use this service.
